**NSBA rule 84 – Color :** A color horse is one who is registered with IBHA, PHBA, PTHA, ABRA, ApHC, APHA, POA.

A solid bred/breeding stock is considered a color horse only if the sire or dam has regular registry papers with one or more of the following associations: APHA, ApHC, ABRA, IBHA, PHBA and POA. PTHA solid registered is not considered a color horse unless it is also registered with one or more of the aforementioned breed associations

**NSBA rule 213 – Walk/Trot Classes:** Only one horse/rider combination is allowed per class. If an exhibitor enters into a Non-Pro Walk Trot class that exhibitor could not show in a loping/cantering class at that same show. However, that exhibitor can switch back and forth between the different shows (ex.: ApHC)

## VESATILITY CHALLENGE

### THE CONCEPT

The western Horses, including Appaloosa, are well known for their versatility. Undeniably, two of the most important disciplines are conformation and western pleasure. Two highly sought after talents of an all-around horse are the ability to change leads and navigate trail poles. Blend these four components into an event and you have the Pleasure Versatility Challenge. The event will highlight a well-conformed, athletic western pleasure horse, with a solid base of proper training, that has the potential to transition and become high level-caliber in a number of classes – eventually reaching the level of the highest performing all-around horses.

As Ranch classes are becoming more and more popular, the same concept will apply for ranch horses.
